September Highlights

Arlington Town Day 2017 – September 16

It's one of the biggest days of the year in Arlington, and it's coming up this Saturday, September 16. The weather forecast looks promising, and all signs point to another festive, exciting Arlington Town Day. As always, ACMi will be there to provide live coverage of the day's events and participants, broadcasting from our trademark booth on Mass Ave at Academy St, and our state-of-the-art studio in Town Hall. Don't miss a minute of the festivities by tuning in to our Public channel from 9 am to 3 pm on Saturday! If you miss the celebration the first time, no worries – ACMi will continue to air Town Day 2017 in highly digestible two-hour segments throughout the coming weeks, again on the Public channel. And if you ARE at Town Day, please come visit us at our booth – we'll be delighted to see you and share the many ways in which you too can make TV with us!

AHS Football Returns to ACMi

For many New Englanders, nothing says FALL like Football! Whether it's the NFL, or college, or high school, viewers anticipate the colors of the fall reflected in the colors of their favorite team, and in Arlington for many that is the distinctive maroon and white of Arlington High's Spy Ponders. ACMi is delighted to confirm its continuing live coverage of Spy Ponder Football this fall, beginning with last Friday's home opener – a thriller against Cambridge Rindge and Latin that literally came down to the last second! If you missed that remarkable finish, don't despair! You can see it airing regularly on our Education channel, where you will also find the rest of the Spy Ponders' home games throughout the fall!

And Football's Not All!

ACMi is committed to providing quality coverage of Fall sports beyond the football field as well. Our coverage starts with AHS Athletics Night, which opens the school year by bringing all coaches, athletes and parents together from all programs and seasons, and includes Championship Banner Recognitions. A number of AHS Boys' and Girls' home soccer games will also be aired (LIVE as often as possible) on the Education channel, in time slots specifically designated to those sports – you can find all the information week in and week out on this schedule, available in the Advocate and on our website at acmi.tv. Multicamera shoots with play-by-play and commentary? Arlington sports deserve nothing less!
