

The image is a vertical poster for the ACMI Awards 2018. It features a large, glowing sphere in the center, transitioning from yellow at the top to red at the bottom. The sphere is set against a dark, starry space background with several bright, purple, comet-like streaks. At the bottom of the image, there is a perspective grid of glowing blue lines. The text 'ACMI AWARDS' is written in a bold, white, outlined font across the middle of the sphere, with '2018' written in a stylized, light blue font below it.

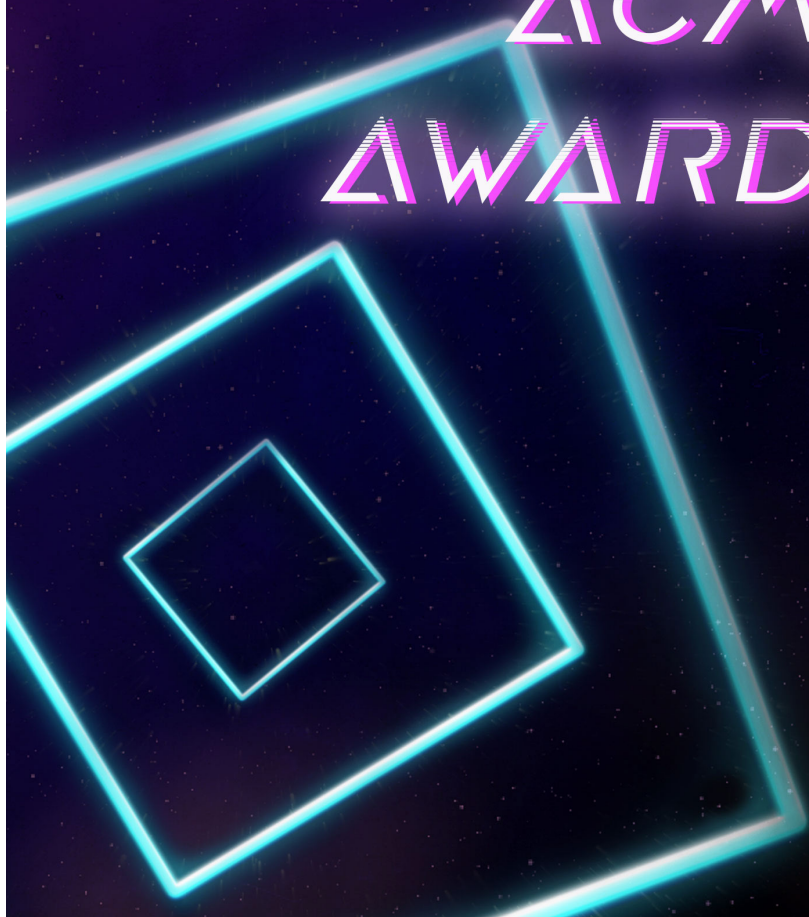

ACMI AWARDS
2018

WELCOME

TO THE

ACMI

AWARDS

WELCOME

The board and staff of Arlington Community Media Inc., welcome you here tonight for this gala event. We're very happy to have you gathered here because, after all, the evening is all about recognizing and honoring YOU...and all of the amazing work you have done over the past two years at ACMi.

The theme for tonight's event is... The ACMi Edge; Telling Today's Stories with Tomorrow's Technology. We all know that staying abreast of changes in our world can be challenging at times. Fortunately, we at ACMi are always at the technological edge looking for new ways for you to produce your show.

So tonight have fun and we hope you will enjoy the Virtual Reality Station we have provided as well as the Photo Booth to create your digital memory. And of course there will be some surprises! We congratulate all of our honorees and all of our members who have shown a great deal of talent, creativity and dedication. We are proud and pleased to welcome them and all of you here this evening.

Enjoy the show!

-Norman J. McLeod, ACMi Executive Director
